

OB CLINICAL SOCIAL WORKER

Job Requisition #18-0101
Location: **Riverside Health Center**
Application Deadline: **Until Filled**

Hours Per Week: **40**
Status: **Full Time**
Benefit Eligible: **Yes**

All people share a powerful need for the basic necessities of a good life and a place that understands that good health starts with a caring touch and a kind word. For over 45 years, the Community Health Centers of Burlington (CHCB) has provided access to high quality health care regardless of financial status or life circumstance. We strive to improve the health of all within the communities we serve in an environment that conveys respect, offers support, and encourages people to be actively involved in their own health care.

CHCB is an innovative Federally Qualified Health Center with eight sites throughout Chittenden County and southern Grand Isle County. We are an Equal Opportunity Employer and offer excellent benefits!

Essential Duties

Under the supervision of the Senior OB Clinical Social Worker, the OB Clinical Social Worker will provide effective clinical and medical social work services to psychosocially high risk OB patients of the Community Health Centers of Burlington. The OB Clinical Social Worker will conduct psychosocial assessments, and provide: diagnosis, case management, crisis interventions, behavioral medicine interventions, brief behavioral health interventions, and psychotherapy.

Basic Qualifications

- Masters in Social Work from a graduate school of social work accredited by the Council on Social Work Education (CSWE).
- Licensed as an independent clinical social worker in the state of Vermont.
- Knowledge of current behavioral medicine approaches to OB services a plus .
- Ability to utilize cognitive-behavioral and dialectical interventions in support of OB patients.
- Understanding of mind body and bio-psychosocial implications of OB health.
- Ability to engage in direct and professional communication.
- Knowledge of the principles, standards, and ethics of Social Work and ability to demonstrate standards of care and ethics when working with client/patient populations.
- Knowledge of transference and countertransference.
- Willingness to work some flexible hours if needed.
- Ability to seek supervision when needed or appropriate.
- Strong case management, psychotherapy, and crisis intervention skills.
- Knowledge of mental health and substance abuse laws and regulations

To apply for this position, please send a resume and cover letter to: HR@CHCB.org

The Human Resources Department will contact applicants who have been chosen to continue through the applicant selection process.
