All people share a powerful need for the basic necessities of a good life and a place that understands that good health starts with a caring touch and a kind word. For over 45 years, the Community Health Centers of Burlington (CHCB) has provided access to high quality health care regardless of financial status or life circumstance. We strive to improve the health of all within the communities we serve in an environment that conveys respect, offers support, and encourages people to be actively involved in their own health care.

CHCB is an innovative Federally Qualified Health Center with eight sites throughout Chittenden County and southern Grand Isle County. We are an Equal Opportunity Employer.

Essential Duties

Community Health Centers of Burlington is recruiting for a Registered Nurse to join our team to provide care coordination of medical and behavioral health patients receiving medication assisted therapy (MAT) for opioid addiction. This position is paired with an addiction counselor and a team of multi-disciplinary health care professionals.

Basic Qualifications

- Vermont State Registered Nurse Licensure
- Associates Degree in Nurse Required, BSN preferred.
- CPR Certification

Knowledge, Skills and Ability

- Strong clinical skills and the ability to thrive in a fast paced medical team environment.
- Experience and knowledge with electronic medical record systems.
- Strong organizational skills.
- Experience working with patients experiencing addiction is a plus.

To apply for this position, please send a resume and cover letter to: HR@CHCB.org

The Human Resources Department will contact applicants who have been chosen to continue through the applicant selection process.
