

STERILIZATION DENTAL ASSISTANT

Job Requisition #19-0106
Location: **Riverside Health Center**
Application Deadline: **Until Filled**

Hours Per Week: **40**
Status: **Full Time**
Benefit Eligible: **Yes**

All people share a powerful need for the basic necessities of a good life and a place that understands that good health starts with a caring touch and a kind word. For over 45 years, the Community Health Centers of Burlington (CHCB) has provided access to high quality health care regardless of financial status or life circumstance. We strive to improve the health of all within the communities we serve in an environment that conveys respect, offers support, and encourages people to be actively involved in their own health care.

CHCB is an innovative Federally Qualified Health Center with eight sites throughout Chittenden County and southern Grand Isle County. We are an Equal Opportunity Employer.

Essential Duties

The Community Health Centers of Burlington is recruiting for a Sterilization Dental Assistant in the Dental Department! Typical duties include sterilization and maintenance of all dental instruments as well as sterilization and disinfection procedures within the dental operator. Our ideal candidate would be an experienced Dental Assistant to work in our sterilization room, and chairside clinical as needed. This position includes two evening shifts (12pm – 8pm) per week. Candidate needs to be eligible or should possess a Vermont Dental Assistant license in good standing, preferably with a radiology certification. The candidate should be enthusiastic and team oriented to work closely with the dental team!

Basic Qualifications

- High School Diploma or equivalent.
- Completion of an accredited dental radiology course
- Completion of an ADA accredited dental assisting course or five years' experience with on the job training.
- Current VT State Dental Assistant license with radiology privileges.

Knowledge, Skills and Ability

- Comprehensive knowledge dental assisting techniques
- Knowledge of dental OSHA safety regulations.
- Demonstrated knowledge/experience using dental charting, scheduling and reporting software.
- Knowledge of MS Office applications including MS Excel.
- Knowledge of dental materials, their composition and uses.
- Willingness to travel to other locations as needed.

To apply for this position, please send a resume and cover letter to: HR@CHCB.org

The Human Resources Department will contact applicants who have been chosen to continue through the applicant selection process.
